ATTORNEY GENERAL

Mr. Dean J. Johnson Legal Advisor Beaumont Police Department P.O. Box 3827 Beaumont, Texas 77704

OR96-1870

Dear Mr. Johnson:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 101384.

The Beaumont Police Department (the "department") received a request for all "police records, accident reports, photographs, and filed notes pertaining to" a specific accident. You state that the department will release some of the information to the requestor including the "accident reports and the "offense report." However, you contend that the remaining information relating to the accident is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and have reviewed the documents at issue.

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; see Holmes v. Morales, 924 S.W.2d 920 (Tex. 1996). However, the

¹We note, however, that information normally found on the front page of an offense report is generally considered public. *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), writ ref'd n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). Thus, you must release the type of information that is considered to be front page offense report information, even if this information is not actually located on the front page of the offense report. In this instance, you state that you will provide this information to the requestor upon payment for the records.

Open Records Act's exceptions do not, as a general rule, apply to information made public by other statutes. Open Records Decision No. 525 (1989).

We note that the information submitted to this office includes an accident report. Access to accident reports is governed by law other than the Open Records Act. The Seventy-fourth Legislature, without reference to the repeal and codification of V.T.C.S. article 6701d, ² amended section 47 of article 6701d, V.T.C.S., relating to the disclosure of accident reports. Act of May 27, 1995, 74th Leg., R.S., ch. 894, § 1, 1995 Tex. Sess. Law Serv. 4413, 4414. As amended, section 47(b)(1) places certain restrictions on the general public's access to "all accident reports made as required by [V.T.C.S. art. 6701d] or [V.T.C.S. art. 6701h]." Specifically, section 47(b)(1) provides that a law enforcement agency employing a peace officer who made an accident report is required to release a copy of the report on request *only* to, among others, a person who provides the law enforcement agency with two or more of the following: (1) the date of the accident, (2) the name of any person involved in the accident, or (3) the specific location of the accident. Section 47(a) states that, except as provided by section 47(b), these accident reports are privileged and for the confidential use of the Department of Public Safety and agencies who use the reports for accident prevention purposes.

The requestor has provided you with the date and the name of the person involved in the accident about which he is inquiring. Thus, section 47(b) entitles him to a copy of the accident report. You state that you will release this information upon payment. We conclude that the remaining information is excepted from disclosure under section 552.108. Accordingly, you may withhold the remaining information from disclosure, or you may choose to release to the requestor any of the information that is not otherwise confidential by law. Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous

²Effective September 1, 1995, article 6701d was repealed and codified as part of the Transportation Code. Act of May 1, 1995, 74th Leg., R.S., ch. 165, § 24, 1995 Tex. Sess. Law Serv. 1025, 1870-71; see Trans. Code § 550.065 (release of accident reports). The legislature did not intend a substantive change of the law but merely a recodification of existing law. Act of May 1, 1995, 74th Leg., ch. 165, § 25, 1995 Tex. Sess. Law Serv. 1025, 1871. The repeal of a statute by a code does not affect an amendment of the statute by the same legislature which enacted the code and the amendment is preserved and given effect as part of the code provision. Gov't Code § 311.031(c). Thus, the amendment of section 47 of article 6701d, V.T.C.S., in House Bill 391 remains in effect as current law and may be found following section 550.065 of the Transportation Code. See also Act of May 27, 1995, 74th Leg., R.S., ch. 894, § 1, 1995 Tex. Sess. Law Serv. 4413, 4414.

³Effective September 1, 1995, these statutes were repealed and replaced as part of the Transportation Code. Act of May 1, 1995, 74th Leg., R.S., ch. 165, § 24, 1995 Tex. Sess. Law Serv. 1025, 1870-71.
